ABOUT US

Mighty Demolex Publishers is a growing publishing firm in Nigeria, with over 10 years of excellent educational products and service delivery. Our textbooks are colourful, child-centred and curriculum-updated for the Universal Basic Education.

OUR VISION

To be a major player in the education sector a top-notch centre of publishing and delivery of high quality educational products for learners across the world.

OUR MISSION

To produce and distribute quality educational products which offer holistic, innovative contents that promote creativity while inculcating societal values for both individual and national development.

OUR POLICY

The efficiency of teachers and the pace of learning by pupils/students cannot be accelerated without relevant tools on every subject. In line with the ideal of the Nigerian Educational Research and Development Council (NERDC) under the UBE programme; we present a series of updated textbooks that will meet the needs of teachers and learners across Nigeria and beyond.

We have published over 300 textbooks in various subjects with interactive contents for different levels.

We have over 5000 schools on our supply chain cutting across private and public schools

HOW WE STARTED

Mighty Demolex Publishers started as a little seed idea given by divine inspiration to Mr. Bamidele Akinulure Alex in 2008 to meet the need for relevant textbook across public and private schools in Nigeria.

And since then, it has contributed in no small measure raising the standard of education within and outside the country. It further bridges the gap between private and public schools by giving equal access to meaningful and qualitative education.

OUR PRODUCTS

We have taken our time to review all our products, consistently updating them with the current curriculum. The books are activity based in line with 21st Century demand for learners and teachers.
